### How to Monitor Music

Please plug a headset/headphone into the designated slot on the back of the machine. You will listen or monitor music.

### Cautionary Note

1. Please use the included adapter to charge speaker and microphone internal rechargeable battery;
2. Plug the adapter into 110-240 AC outlet;
3. It will take about 2.5 hours to fully charge the machine;
4. The machine prompts "DIDI" voice when it is lower battery, please charge it timely;
5. In order to extend the life of the internal battery, please charge even if system is not being used.
6. It is suggest that you charge the internal battery an additional 1-2 hours to extend its life.
7. Please do not over charge the battery by leaving the system plugged continuously. The will reduce the internal battery and cause over heating.
